

## COMPANY PROFILE

**KemiChem**  
INDUSTRIES CORPORATION

**Kemichem Industries Corp.** is established in providing high quality chemicals in the Philippines.

Based on our many years' experience, we have been engaged in supplying and importing industrial chemical products for more than a decade.

Over the years, our products are expanded and broadening our product in order to meet our clients' ever growing demand.

We are engaged in the distribution of high-quality chemicals used in the manufacturing, processing, water treatment & other industrial application.

Due to our excellent standards and high reliability, we have proudly been trusted to supply industrial chemicals, deliver quality products at competitive price.

Through the years, we have kept our prices as competitive as possible without compromising the quality of our chemicals.

We are looking forward to building long-term relationships with our valued customers.

## Vision Mission & Values

Our mission is to consistently deliver quality products & services at competitive prices, thus adding value to the business of our customer.

We shall be the supplier of choice in our markets by being responsive to the needs of our customers and providing them best value for money.

Kemichem Industries Corp., aims to be the leading supplier of quality standard chemicals in the country.

To achieve success, we commit to: acquiring valuable and relevant knowledge for our business and work. Shaping good attitudes and being proactive, enjoying work, maintaining honesty and integrity. Being open to ideas and learning, continuously improving and innovating in our people, products and processes.
